

## Product Data Sheet

### XE Waterproof Laser Paper

Toner optimised print receptive polyester laser film

**Surface Finish:** Matt coating both sides

**Appearance:** Pastel Blue

**Thickness:** 126 micron

**Total Weight:** 172 gsm

#### Features

- Smooth matt surface provides a strong dense image with excellent print adhesion
- Waterproof, greaseproof, and wipeable
- Suitable for hole-punching without vulnerability to water penetration
- Ideal for tags, labels or divider sheets
- Can be printed on both sides
- Suitable for mono and colour copiers and laser printers\*

**\*Please Note:** When printing Polyesters by laser or copier methods, the user should refer to their printer manual for best settings for film.

#### Applications

- Robust and durable medium for technical manuals, instruction sheets, data forms and other documents to be used outdoors or in harsh environments
- Replaces the need for paper to be printed and then encapsulated

#### Compatibility

- Suitable for most thermal transfer and dry toner (laser/LED/flash fusion) print processes, both mono and colour, including, for example, HP Laserjet 4xxx, OKI 93xx and Xerox iGen3.

Material Handling, and Shelf Life: 24 Months
