

Product Data Sheet

XE Waterproof Laser Paper

Toner optimised print receptive polyester laser film

Surface Finish:	Matt coating both sides
Appearance:	White
Thickness:	145 micron – size A3 and A4
Total Weight:	195 gsm

Features

- Smooth matt surface provides a strong dense image with excellent print adhesion
- Waterproof, greaseproof and wipeable
- Suitable for hole-punching without vulnerability to water penetration
- Can be printed on both sides
- Suitable for mono and colour copiers and laser printers*

**Please Note: When printing Polyesters by laser or copier methods, the user should refer to their printer manual for best settings for film.*

Applications

- Robust and durable medium for technical manuals, instruction sheets, data forms and other documents to be used outdoors or in harsh environments
- Replaces the need for paper to be printed and then encapsulated

Compatibility

- Suitable for most thermal transfer and dry toner (laser/LED/flash fusion) print processes, both mono and colour, including, for example, HP Laserjet 4xxx, OKI 93xx and Xerox iGen3.

Material Handling, and Shelf Life: 24 Months
