

YES COLOR COPY GLOSSY

Yes Color copy Gloss is high quality glossy coated paper especially designed for colour printing on the latest dry toner electrophotographic printers.

Its wide range of sizes (A4, A3 and SRA3) and of basis weights (130 to 350gsm) makes this product ideal for a variety of applications such as commercial leaflets, mailings, cards, menus, covers, etc....

The coated glossy surface is the optimal solution for outstanding printing quality.
