

CANSON PHOTOGLOSS PREMIUM RC 270GSM

Canson® Infinity PhotoGloss Premium Resin Coated consists of an alpha cellulose acid-free art paper coated with polyethylene and a microporous colour receiver layer. The enhanced coating finish offers a stunning gloss effect which meets the requirements our customers have always demanded.

PhotoGloss offers an exceptional Dmax as well as a wide colour gamut and is ideal to produce stunning colour photographs. It also exceeds the expectations of true professional photographic paper and has been designed to comply with the highest lifespan requirements.
